TERMS AND AGREEMENT

Hello Residents!

We hope you enjoy the use of our beautiful fire pit. We only ask that you keep a few things in mind.

- If the cover is on, always remove this first before setting the timer.
- The timer for the pit is located on the far left hand side of the community building on the external wall. Simply open the plastic cover (it opens to the left) and set a time. It may take a few moments for the pit to ignite.
- If you have reserved a specific time and another resident/party arrive with reservations and your reservations have already lapsed, we ask that you please clean up and give the pit to the incoming party.
- We ask that you clean up after yourselves. Please remove all trash, bottles and always make sure to pick up all personal belongings.
- If you have decide to leave the firepit area but have time still left on the timer, we ask that you set it to zero
- Please do NOT place the cover on immediately after using.
